Joel Have you heard of a website called Bucket List? It's for making a list of the things that you want to do in your life.

Alba No. I always thought if I tried (try) to write a bucket list, I 'd find (find) it difficult.

Joel I guess it would depend on how long your list was. If there were (be) only a few activities, it would be (be) easy.

Alba But if you could (can) have as many as you liked, that would take (take) longer!

Joel Yeah, that's true. Anyway, the site is great.

Alba I 'd look (look) at it if I 'd had (have) time. But I'm really busy. So, what's on your list? Skydiving? Climbing Mount Kilimanjaro?

Joel I'm not telling you! You 'd see (see) it if you went (go) on the website!

Alba Oh, all right, then! Give me the address!
